Ask us to limit what we use or share.
 You can ask us not to use or share certain health information for treatment, payment, or our operations (TPO). We are not required to agree to your request, and we may say "no" if it would affect your care. If you pay for a service or health care item out-of-pocket in full, you can ask us not to share that information for the purpose of payment or our operations with your health insurer. We will say "yes" unless a law requires us to share that information.

 You can ask for a list (accounting) of the times we've shared your health information for six years prior to the date you ask, who we shared it with, and why. We will include all the disclosures except for those about treatment, payment, and health care operations, and certain other disclosures (such as any you asked us to make). We'll provide one accounting a year for free but will charge a reasonable, cost-based fee if you ask for another one within 12 months.
